MAROONS ALL-STAR TEAM

2022

Dear Ridgewood Boys Lacrosse Players and Parents:

The Objective of Maroons Lacrosse Camp is for the RHS Boys Lacrosse Coaching Staff as well as our distinguished lacrosse alumni and our current high school varsity starters to provide quality opportunities in the fall, winter and summer for our youth boys to practice and play in competitive game situations together in one program learning lacrosse our way – “The Ridgewood Way.”

Ridgewood High School Boys Lacrosse is one of the most competitive and respected programs in the state and region. This is attributed to our outstanding coaching staff and most importantly the elite level of talent and leadership of our players. Our program has consistently experienced a high level of success over the last 19 years. We are committed to a team model of year-round training and playing a highly competitive regular season and playoff schedule as well as participating in the most challenging summer and fall team recruiting showcases in the country. Upon graduation from high school our players are going on to attend outstanding colleges and universities. With our guidance and support, many of these graduates are also making significant contributions on the collegiate lacrosse field.

The emphasis of the Maroons Lacrosse All Star Team Program is to provide a similar type of experience for our youth boys that we provide for our high school boys. While elite players in other towns disband and play on separate teams, our players get an edge on their competition both individually and collectively by staying together as a Ridgewood All Star Team. We believe that this program will help significantly in preparing our youth boys to develop to their fullest potential as a player, teammate and leader in high school and beyond.

We look forward to working with you in the year ahead.

Always in Lacrosse,
Mike Pounds
